*Membership benefits and discounts vary according to level. ✦*

## **15% off memberships for Native Prairies Association of Texas**

*Perfect for museum meet-ups!*

### **Why membership?**

Museum membership opens the door for you to visit again and again!

You can't see the entire museum all in one day. One day you may need a dinosaur fix, then a walk through ancient Egypt the next. How about a trek through a butterfly-filled rainforest?

The wide-open spaces in the galleries and venues allow your family to distance and explore.

Memberships support science education in the Houston area by immediately contributing to our overhead allowing the lowest possible prices for school field trips.

### **\*Benefits enjoyed by ALL members**

- Unlimited free access to permanent exhibits (main campus & Sugar Land)
- Up to 50% off special exhibits, Butterfly Center, Giant Screen Theatre and Planetarium
- Discounts on adult programs, family-focused fun and summer camps
- Invites to member-only events
- Discount in the Museum Store
- Members-priority ticket line
- Access to expanded digital engagement opportunities for those not yet comfortable returning in person.
